AGENDA

Pre-Site Visits for tender no. 03/2016-2017: Proposed Construction of Trunk Sewer Pipeline Phase II Lot 3 at Athi River EPZ-Machakos County

MIN 1/2016-2017- PRE-SITE VISIT

The Chairperson welcome all the tenderers and mentioned the agenda for the meeting was for the pre-site visit for the proposed construction of Trunk Sewer Pipeline Phase II Lot 3 at Athi River EPZ-Machakos County. They were given registration forms to fill thereafter directed to the starting point for the Trunk Sewerline.

Forty One (41) bidders attended the pre-site visit meeting

The Engineer gave instructions that the site visit certificates will be issued on the site.

There were no questions in the conference room. The following questions were asked in the site.

Questions

1. Is the land to which the starting point for the Sewer Trunk belong to EPZA?

Answer: Yes, the land belongs to EPZA

2. Was this an additional sewer line?

Answer: No, the sewer line was to serve some of the EPZA land that doesn't have a sewer line in place.

3. Where does the sewer line empty?

Answer: The proposed connection point to the EPZA existing sewer line was pointed out on the ground.

4. How many road crossings are there?

Answer: two, Namanga road and Mombasa road.

5. Are the drawings available?

Answer: yes, the drawings are available for perusal at the Engineer's office in Incubator 1

MIN 2/2016-2017 – CONCLUSION

The bidders were issued with the signed and stamped site visit certificates by the Engineer.

The pre-site visit meeting was closed at 4.30 p.m.

Signed
