## **INTRODUCTION**

Export Processing Zones Authority (EPZA) is a statutory body established in 1990 through an Act of Parliament (The EPZA Cap 517, Laws of Kenya) with the main objective of promoting and facilitating export-oriented investments and to develop an enabling environment for such investments. It is responsible for facilitating the implementation of new investment projects, providing after care services for new and existing investments.

The Athi River Export Processing Zone is Kenya's largest and leading industrial park, designed to offer your export-oriented project an ideal location: world class infrastructure and services; generous tax incentives and a supportive, business friendly operating system; all within a spacious, green, well maintained park environment.

The Export Processing Zone (EPZA) presents the best opportunity for growth, development and wealth creation for your business ambitions. Our main interest is to assist you attain your goals through our "Open Door Policy" and investor centered culture.

As the official organ mandated by the Kenyan government to promote, attract and facilitate investment, we are keen on cultivating a suitable investment climate that will help you capitalize on untapped opportunities in East Africa, the whole of the African Continent and the world.

Kenya the leading economy in East Africa, Kenya's strategic location, extensive business regulatory reforms intended to substantially lower the cost of doing business and its well developed business infrastructure, makes it a natural choice for investors whilst Kenyan exports enjoy preferential access to world markets under a number of special access and duty reduction programs.

### **Mission**

To Effectively and Efficiently Attract and retain Export Oriented Investment for the achievement of national Objectives

### **Vision**

To be the leading Agency for the Promotion and Facilitation of Export oriented investment in Africa.

### **CORE VALUES** □

- Customer Focus
- Efficiency
- Good Governance
- Innovation
- Team Work
- Environmental Sustainability

The following incentives are granted to EPZ companies

## TAX BENEFITS

- **10 year corporate income tax holiday** and a 25% tax rate for a further 10 years thereafter (except for EPZ commercial enterprises)
  - **10 year withholding tax holiday** on dividends and other remittances to non-resident parties (except for EPZ commercial licence enterprises)
  - **Perpetual exemption from VAT and customs import duty on inputs** – raw materials, machinery, office equipment, certain petroleum fuel for boilers and generators, building materials, other supplies. VAT exemption also applies on local purchases of goods and services supplied by companies in the Kenyan customs territory or domestic market. Motor vehicles which do not remain within the zone are not eligible for tax exemption.
- o **Perpetual exemption** from payment of **stamp duty** on legal instruments
- o **100% investment deduction** on new investment in EPZ buildings and machinery, applicable over 20 years .
- Easier Procedures and Smoother Operations:-
    - o **Operation under essentially one licence issued by EPZA.** EPZA seeks to minimize bureaucracy and administrative procedures and facilitate licensing, set up and operations of EPZ projects. This includes exemption from compliance with various laws such as the Import, Export and Essential Supplies Act, the Standards Act, the Industrial Registration Act, the Factories Act, and the Statistics Act. The EPZ Authority acts as the primary licensing and regulatory agency on behalf of the government, and collects the necessary information and data from the companies
    - o **Rapid Project approval and licensing within 30** days (with exception of projects requiring environmental license from National Environmental Management Agency NEMA)
    - o **No Exchange Controls** –liberalized foreign exchange regime and easy repatriation of capital and profits, access to foreign currency accounts, domestic and offshore borrowing.
    - o Onsite customs documentation and inspection by Customs Staff. All zones have a **resident Customs office** for on-site customs documentation and clearance. A Senior Revenue Officer is attached to the EPZA management to assist in all matters relating to customs and excise.
    - o Unrestricted investment by foreigners
    - o **One Stop Shop service for facilitation and aftercare – EPZA Investor Support Division** assists new companies and provide help and advice in the areas of staff recruitment, labour regulations, work permits, import-export logistics, application for utility connections, registration with tax authorities etc.

- Physical Infrastructure Benefits: -
  - **All zones are built to exacting international standards** and provide facilities suited to export production
  - **Serviced land and ready factory buildings** are available for sale or lease to licensed EPZ companies. Water, sewerage, electricity, all weather roads and an illuminated perimeter fence or wall are standard requirement for zones.
  - Zone developers provide **24-hour security, street lighting, landscaping** and street cleaning services in the zones. Private garbage collection firms are retained do dispose of normal office waste.
  - **Office premises and storage warehouses** are available for lease in most zones.

This document constitutes a formal tender request for the **Pre-qualification of suppliers for the financial years 2021-2022 / 2022-2023.**

Should any query be raised concerning a matter of principle, Export Processing Zones Authority will clarify this with all vendors at the earliest opportunity.
