FLAGSHIP PROJECT IN KABATI (MURANG'A COUNTY): CONSTRUCTION OF
INDUSTRIAL SHEDS AND ASSOCIATED CIVIL WORKS**

The table below shows the questions asked by the tenderers and their clarifications.

No.	Question	Answer
1	Whether the scope in pages 38 to 48 form part of the tender document	Pages 38-48 form part of the tender document
2	What is the work of Architect in the project?	The work of the Architect is to provide support in master planning
3	Whether the volumes in the Bills of Quantities are all provisions	<ul style="list-style-type: none"> ✓ The volumes of civil works are provisional. ✓ Builders works quantities are measured
4	Whether bid bond would be strictly from Bank	Bid bond may be either in form of the following; <ul style="list-style-type: none"> ✓ a bank guarantee; ✓ a guarantee by an insurance company registered and licensed by the Insurance Regulatory Authority listed by the Public Procurement Regulatory Authority;
5	There are errors in works, mainly the plumbing section in the Bill of Quantities as follows; <ol style="list-style-type: none"> 1. Missing quantities on page 10 under Internal Walls 2. Missing quantities on page 12 under Windows 3. Mismatched items 4. Quantities reading zero 5. Misaligned items, quantities and units inclusive of collection pages 	There are no errors in the Bills of Quantities as stated. Queries 1, 2 and 4: Note that where the quantities read 0 (zero) it remains as that. There are no quantities for those items Queries 3 and 5: The initial Bills of Quantities was done in Ms Excel format, then converted to Ms Word while being combined with the issued Tender Document and eventually to PDF for offloading to the official website. While care has been taken to ensure minimal adjustments to the original document, it is expected that a few misalignments may occur, which the bidder can be able to align.
